

VERTAC®

SEMI AUTOMATIC

Designed and produced by **VERNEY-CARRON**

We, **VERNEY-CARRON**, the leading French manufacturer of hunting firearms, based in Saint Etienne since its origin, have designed, produced and marketed a large range of successful shotguns and rifles on which our reputation today is based.

By adapting to both technical and marketing trends, **VERNEY-CARRON** has become the benchmark for the entire profession.

Thanks to our recognized know-how and long experience in hunting firearms, **VERNEY-CARRON** decided to develop and market a new range of tactical firearms.

Designed and produced by **VERNEY-CARRON**, the **VERTAC** Range will bring you reliability and effectiveness whenever you need it.
